Inspector Williams,

Jan Kain is looking to plan a San Pedro Festival of the Arts event in downtown San Pedro. She is evaluating possible sites for their event. The City is willing to donate the stage. Dimensions are attached.

She wanted to check with you to see where it might be feasible to do a small street closure and still be compliant with the 20-foot fire lane requirement. Can you assist?

Thank you.

Just a side note: We could have fun playing with the words: e.g., Septemberfest, Funtemberfest,

I'm very excited about this! I hope we can make it work. It can be another shot in the arm for dtsp.

Thanks for all your help.
